Dear Damien,

Just to follow up on our phone call last week.

1) You send me a link to the report on "Environmental Analysis of Local vs Overseas HCB Management Options, September 2005" but unfortunately I by mistake have deleted this mail - are you kind to send this link once again - Thank you.

2) Mr. Trevor Bridle has sent me a copy of the letter which he has sent to your Minister for the Environment, Mr Peter Garrett. We are very interested in your response to this letter - will it be possible for you to send us a copy when the Minister has responded.

Best regards
Lone
