

**JOINT CPA UK/BGIPU INTERNATIONAL PARLIAMENTARY CONFERENCE
ON GENDER AND POLITICS**

(6-8 NOVEMBER 2012)

AIM AND OBJECTIVES

Aim: To run a conference for international parliamentarians on gender and politics; facilitating wide and varied dialogue and knowledge-sharing

Objectives:

To consider:

1. Case-studies of best practice, delegate experiences, research and innovations for progressing gender equality in decision-making
2. The role of different stakeholders in encouraging women's political participation
3. Advancing the social, economic and political position of women through policy and legislation
4. The role of the media in gender and politics
5. The approach of different sectors in addressing gender imbalance
6. Policies and schemes which encourage women's economic empowerment and address access to, quality and duration of education for girls
