Good day Jette:

Good day, I am Nina Ivy Magbanua, I am employed by Johnny Holgaard under the company Technical Yacht Solutions. I work as his personal assistant for about 3 months now. We were informed about removing the 33A tax law. We were informed on how this could affect us. We will lose our jobs if this law is removed. I depend on this job to help my family with the expenses in the house. We would humbly ask that removal of this law be reconsidered. A lot of people will lose their jobs and their families would be affected by this law. We hope that the plan to remove this law would be reconsidered and that the welfare of the people affected by this action will be the priority of the government.

Thank you for your time and have a great day

Sincerely,

Nina Ivy
