Emne: invitation to national Parliaments to send their contributions to Mr Diaz de Mera, rapporteur on the EUROPOL proposal

Dear Colleagues,

Following up on the debate on the Europol proposal which recently took place at the latest LIBE/JURI interparliamentary committee meeting on 20 June, and after having had an exchange of views with the LIBE secretariat, I am pleased to inform you that your respective Chambers are welcome to send to the rapporteur on the Europol proposal, Mr DIAZ DE MERA, contributions focusing on the aspect concerning the joint parliamentary scrutiny of the activities of Europol.

The contributions should be sent by Tuesday, 10 September, directly to Mr DIAZ DE MERA's EP email address, with his assistants (Mr Canovas Montoya and Ms Espejel Betegon) and the LIBE Secretariat general address and myself in copy.

The comments contained in the contributions could provide the rapporteur with useful elements to take into consideration in view of the deadline for tabling amendments to the draft report, which is scheduled, as previously announced, on 19 September.

Thank you very much for your kind cooperation.

Kindest regards,

Federico BOSCHI ORLANDINI
