Emne: visit from China

Dear Mads Thelander,

The Internal and Judicial Affairs Committee of National People's Congress of China is planning to visit Denmark and exchange views on the establishment, function and reform of judicial system with their counterpart here in the first half of this coming October.

We are wondering whether the Legal Affairs Committee of the Danish Parliament would be interested and happy to invite and meet with the delegation.
I have talked about this with MP Mr. Karsten Lauritzen and he suggests that we should contact you.

Thus, I am writing to see whether it is possible for your committee to issue an invitation letter to this delegation and meet with them in the above-mentioned time.

If you agree, we will provide the name list, exact date of visit and other relevant information later for you to issue the invitation letter.

Thanks in advance for your kind assistance.

Best regards.

Dear Mads Thelander,

This is Mia Zou from the Political Section of the Chinese Embassy. I allow myself to contact you regarding a Chinese delegation from the Law Committee of the National People's Congress. The delegation plans to visit Denmark in September and they would like to book a meeting with the Danish Legal Affairs Committee of the Parliament and have some exchanges of views on legislation issues such as legislative mechanism and legislative procedures.

I know that we have another delegation from the Internal and Judicial Affairs Committee of National People's Congress which will visit Denmark in October. But since they have different focus and purpose of the visit, and it seems that your committee is the best counterpart of the both Chinese committees, so I'm wondering if it's possible for your committee to invite both of the delegations and meet with them respectively?

Please feel free to contact me if there is any question. Many thanks in advance!

Best regards,

Mia Zou

Dear Mads Thelander,

This is Mia Zou from the Political Section of the Chinese Embassy. Referring to my previous email dated July 9, I would like to discuss with you again regarding the two Chinese delegations, both from the National People's Congress. I just got the notice from China that the delegation from the Internal and Judicial Committee has to postpone their visit from October to early November, while the delegation from the Law Committee still plans to visit Denmark in September. We will highly appreciate if your committee could be able to receive the both delegations if your programme allows. But if you have some difficulties with the arrangement we will totally understand, and in this case please inform us as early as possible, so that we could ask our colleagues in China to make relevant changes.

Thank you very much and looking forward to your reply!

Best regards,

Mia Zou
