No. 77/2006

16 May, 2006

The Embassy of the Arab Republic of Egypt presents its compliments to the Royal Danish Ministry of Foreign Affairs, Consular Office, and has the honour to inform the esteemed that the Embassy has come to realise that several official documents (translated from Danish to Arabic) are received by the Embassy and processed by translators who are not registered as state translators. The documents referred to have been duly legalised by the Danish Chamber of Commerce as well as and the Royal Danish Ministry of Foreign Affairs before being forwarded to the Embassy of Egypt.

This procedure could have serious legal liabilities in Egypt.

Kindly notify the relevant Danish authorities not to attest documents provided by non-authorized translators so as the regulations governing these kind of procedures are implemented.

The Embassy of the Arab Republic of Egypt avails itself of this opportunity to renew to the Royal Danish Ministry of Foreign Affairs the assurances of its highest consideration.
