Dear Parliamentarians,

I trust you are well and my apologies for the lack of communication since we met in New York last year.

For those of you in Latin America, it has been wonderful to learn that you have since met in Peru and formed yourself into a regional IPP network.

Last week, it was a pleasure to host the IPP Steering Group and Secretariat here in London for a meeting. We have provisionally signed off the attached three year strategic plan which we are now looking to obtain the funding for. Please do let us know any comments that you have as your feedback and ideas are invaluable.

Please do also let me know of any parliamentary activity that you have undertaken in your jurisdiction that you would like to be promoted on the network.

Have a lovely weekend,

Best wishes,

Elizabeth
