Dear Members of Udlændinge-, Integrations- og Boligudvalget,

The UNHCR Regional Representation for Northern Europe, based in Stockholm, hereby kindly requests to meet with you in the context of the Law Proposal L 87 (Udskydelse af retten til familiesammenføring for personer med midlertidig beskyttelsesstatus, skærpe af reglerne om tidsbegrænset opholdstilladelse, skærpe af reglerne om inddragelse af flygtninges opholdstilladelse, m.v).. Referring to our written comments submitted in the context (available at <http://www.refworld.org/docid/5694ed3a4.html>), we would like to also orally convey our views to you regarding the proposal, as some of the recommended measures, if adopted, would have a big impact on the lives of our persons of concern. In the context we would also look forward to answering any questions you may have and providing clarifications at your request.

UNHCR stands ready to meet at your earliest convenience, and hopes that such a meeting could take place as soon as possible.

Respectfully and with kind regards,

Johan Frantz

Regional Legal Officer
