Emne: PAC Global Tax Transparency Summit

Dear colleague,

I would like to draw your attention to a **Global Tax Transparency Summit** being organised by the House of Commons Public Accounts Committee on Thursday 8th and Friday 9th December 2016 in London. The Committee of Public Accounts retains its strong interest in promoting tax transparency and the prevention of aggressive tax avoidance by multinationals and this global summit will bring together Parliamentarians from across the world to discuss these issues in-depth. This summit is intended to progress efforts on these issues and ensure Parliamentarians are working with Governments in order to continue to deliver on these objectives.

A reception on Thursday 8th December will be followed by a day of plenary sessions on Friday 9th December, with a range of speakers. If you are interested in attending this event, please register your interest at <http://www.parliament.uk/business/committees/committees-a-z/commons-select/public-accounts-committee/news-parliament-2015/global-tax-summit-launch-16-17/>

As space will be limited, priority will be given to Parliamentarians and their officials.

Kind regards

Mark

Dr Mark Ewbank

Committee of Public Accounts
