Subject: UN Reprisals report 2018 - Sever harassment, smear campaigns and surveillance in human rights work for children and fathers

Please find attached our report related to children and fathers including the UN Examination Report from 2015 and the Council of Europe Resolution 2079 on children and fathers. The report is related to sever and systematic harassment of young volunteers and voluntary leaders, fathers and children and father organizations involved in Human Rights Work.

Yours Sincerely,

Jesper Lohse, Chairman
The Danish Fathers Association
Founded in 1977
