

On 27 February 2018 Brussels will host CYBERSEC. Register today to make sure you do not miss out on one of the top European conferences devoted to the key challenges of the digital world!

REGISTER NOW!

The number of places is limited

At CYBERSEC – Brussels leaders' foresight 2018 we will get together to discuss the main cybersecurity challenges facing present-day Europe and the world: responsible leadership, far-sighted public policies, and innovation. The conference will provide a platform to debate the development of Europe cyber readiness at the beginning of the decisive year.

CYBERSEC BRUSSELS LEADERS' FORESIGHT SPEAKERS

Over 30 prominent cybersecurity decision-makers and experts from all over the world will take the floor during 4 discussion panels, presentations, workshops and on-stage interviews.

FOUR THEMATIC STREAMS
