Emne: Invitation – Global Parliamentary Conference (GPC), Washington D.C., 16-17 April 2018

GLOBAL PARLIAMENTARY CONFERENCE

April 16-17, 2018

Washington D.C.

Dear Honourable colleague,

It is my honour and pleasure to extend to you an invitation for the Global Parliamentary Conference (GPC) of the Parliamentary Network on the World Bank & International Monetary Fund (IMF), organised jointly with the World Bank Group and IMF from 16-17 April 2018 in Washington D.C.

The GPC is the Networks flagship event and a yearly milestone on the international development events calendar. It is the only parliamentary conference where parliamentarians engage directly the World Bank President Dr. Jim Yong Kim and IMF Managing Director Mme Christine Lagarde. As such, the

Conference contributes to strengthening the impact of parliamentarians in shaping development policies on a global scale.

This year, a half-day Parliamentary Summit on Policies to Support Youth Job Creation will be organized on April 17, 2018 in the framework of the Global Parliamentary Conference. The Summit is co-organized with Peace Child International and International Youth Foundation. It will explore the possibility of creating a Global Fund for Youth Employment (GFYE) and propose concrete legislations from MPs in their respective countries and at the global level to support youth job creation which can be promoted by the members of the Parliamentary Network amongst their fellow MPs and their governments. Participants will draft a resolution and action plan from the Summit. Keynote speakers will include youth leaders and job creation experts from various government agencies and non-governmental organizations and private sector representatives involved in the field.

Furthermore, as a participant of the GPC we will also register you to attend the 2018 Spring Meetings of the IMF and the World Bank Group – a set of seminars, regional briefings, and other events focused on the global economy, international development, and the world's financial system. Please note that registration to the Spring Meetings is subject to the approval of your country's IMF/World Bank Executive Director.

We hope that you will be able to attend the conference in person or that you can send a representative. Note that we can host up to 3 representatives per country. The official languages of the conference will be English and French.

I invite you to complete the online registration form by clicking on the following website:

<https://gpc.eventsmart.com/>

The deadline for completed registration is 20 MARCH 2018 at the latest. Registration after this date will depend on availability. Kindly note that accommodation and travel is the responsibility of the participant.

I very much hope that you will join us for this edition of the Conference in Washington D.C. and look forward to what is sure to be an engaging two days of discussion, debate and learning.

Yours sincerely,

Jeremy Lefroy, MP
Chair of the Parliamentary Network
on the World Bank and IMF
Member of Parliament (United Kingdom)
