Jiří Brodský
Ambassador

Copenhagen, 22 March 2016
No. 376/2016

Madam Chairwoman,

I am pleased to hereby enclose the hardcopy of the letter addressed to your hands by Mr Jiří Zlatuška, Chairman of the Committee on Science, Education, Culture, Youth and Sport in the Chamber of Deputies, Parliament of the Czech Republic.

The letter is a formal invitation for your Committee's visit to the Czech Republic which I, as the Czech Ambassador to Denmark, welcome as a step to retain the frequency of bilateral contacts which corresponds to the high level of relations between our two countries. This parliamentary visit would make the reciprocity of the visits more balanced, as in the past eight years, there have been ten visits from the Czech Parliament to Denmark, and two from Denmark to the Czech Republic. Most importantly, however, I see your meetings in Prague as a mutually rewarding opportunity for exchange of experiences from the legislation process in the area of elementary education and after-school schemes for children and youth.

I sincerely hope, Madam Chairman, that your Committee in the Folketing will be able to consider this invitation favourably and let me assure you of my high respect.

Yours sincerely,

Encl.
