Forsvarsudvalget 2015-16 FOU Alm.del endeligt svar på spørgsmål 321 Offentligt

## Puolustusministeriö Försvarsministeriet Ministry of Defence

**Finnish Reserve concept** 

## Main legislation

- 6
- The Constitution of Finland "Every Finnish citizen is obligated to participate or assist in national defence"
- Act on the Defence Forces
  - provides for the duties, authority, organization, administration, military command decision making system and personnel of the Defence Forces
- Conscription Act
  - Every male Finnish citizen is liable for military service starting from the beginning of the year in which he turns 18 years old until the end of the year in which he turns 60,
  - military service includes service as a conscript, participation in reservist training, extra service, and service during mobilization, in addition to participation in call-ups and examinations assessing fitness for military service
  - The Ministry of Defence directs the implementation of military service
  - The Defence Command manages military service according to the principles provided by the Ministry and is in charge of developing the conscription system

Puolustusministeriö Försvarsministeriet Ministry of Defence

## Main legislation

- Act on Voluntary Military Service for Women
  - A female Finnish citizen can apply for military service provided she is between 18 and 29 years of age and both physically and mentally suited for military service
- Act on Voluntary National Defence
  - provides for voluntary national defence organized under the supervision and guidance of the authorities
  - intended to develop the capability of citizens and the authorities to participate in aiding society at large in cases of serious disruption and exceptional circumstances.
  - Provides the statues for The National Defence Training Association of Finland (MPK)
  - The purpose of the National Defence Training Association is to promote national defence through training, publicity and education
