**INVITATION TO SET UP A DELEGATION TO THE WOMEN LEADERS GLOBAL FORUM**

Dear Speaker Pia Kjaersgaard,

The **Women Leaders Global Forum** is honoured to inform you of its inaugural launch on **26-28 November 2018** in Reykjavik, Iceland. The Forum is annually co-hosted by Women Political Leaders (WPL) and the Government and the Parliament of Iceland, co-chaired by leaders of the OECD, World Bank, World Economic Forum and others. **It is the Davos of women – Iceland style!**

It is an honour for The Women Leaders Global Forum and the Government and the Parliament of Iceland to extend an invitation to you, **as the President of Parliament, to set up a delegation of maximum two female Parliamentarians from your country** to participate at this unique event.

As the nexus for intersectionality of women from all walks of life, the values of this Global Forum are best reflected in the premier country for female leadership and advancement - Iceland. With this backdrop of historic excellence, the Women Leaders Global Forum will transcend boundaries and unite women leaders from different sectors on a platform never seen before. Outstanding female leaders ranging from areas such as politics, academia, and arts to civil society and business are invited to convene in an environment with both the capacity to foster dialogue at unprecedented levels and striking the uniqueness to be remembered as the beginning of a new era for female leadership.

The Women Leaders Global Forum's mission is to provide a platform where women leaders discuss and share ideas and solutions on how to further advance society and positively develop the number and increase the power of women in leadership positions. Under the caption WE CAN DO IT, the theme for this year has affected nearly every aspect of our lives. Digitalisation has created an increasingly interconnected world, single-handedly changing the way we live, work and love.

We are offering female political leaders the opportunity to not only take part in this historic initiative, but to also have a say in the way we shape our future. **With a unique English only programme** that integrates the vital ingredients for unforeseen female success, this will be the most significant women-centred conference in the world.

In the spirit of advancing society together, we look forward to welcoming your country's delegation in Reykjavik for this momentous event.

Yours sincerely,

Silvana Koch-Mehrin  
President and Founder of WPL

Hanna Birna Kristjánsdóttir  
Chair of the WPL Executive Board
