Greetings, I am Joon TaiK Lim, Secretary General of Heavenly Culture, World Peace, Restoration of Light (HWPL).

On 17-19 September 2018, HWPL is holding the 2018 HWPL World Peace Summit: 4th Anniversary of the WARP Summit in the Republic of Korea. In attendance are more than 500 high-level officials including former and current heads of state, speakers of parliaments, chief justices, and ministers from around the world.

Honorable Emil Constantinescu, Former President of Romania; His Excellency Moncef Marzouki, Former President of Tunisia; His Excellency Stjepan Mesić, Former President of Croatia; His Excellency Pál Schmitt, Former President of Hungary; His Excellency Gennady Burbulis, Former State Secretary of Russia; and His Excellency Stanislav Shushkevich, Former Chairman of the Supreme Soviet of the Republic of Belarus attended the event.

On 16 September, HWPL signed a Memorandum of Understanding (MOU) with the International Centre for Black Sea-Baltic Studies and Consensus Practices, which is composed of former presidents of countries of the Baltic and Black Sea regions, raising the international standing of the Declaration of Peace and Cessation of War (DPCW). This news ranked top on various portals of countries around the world. By the support of world leaders and participation of global citizens, we are getting closer to introducing the DPCW to the United Nations as a draft resolution.

Also on 17 September, at the Peace Education Development Forum for Global Advancement, Memoranda of Agreement (MOA) were signed with the ministries of education of Sri Lanka, Cambodia, Iraq, and Guatemala, which laid the foundation for students of these countries to receive HWPL Peace Education as part of the public school system.

The 2018 HWPL World Peace Summit will bring greater news of peace to the world during the remaining two days, 18-19 September.

You will be able to see the outcomes so far through the signed MOU and speeches of the main speakers.

I am sending you the related documents, so please check them to see how peace is being realized in the Republic of Korea.

best regards

Thank you.
