

LIETUVOS RESPUBLIKOS AMBASADORIUS
AMBASSADOR OF THE REPUBLIC OF LITHUANIA

7 December 2017, Nr. *(35.12.4)/335-674*

Dear Mr. Hækkerup,

The Lithuanian Parliament unanimously passed a version of the Magnitsky Act on 16 November 2017, which will allow the imposition of travel bans and other measures against human rights violators and foreign officials complicit in gross corruption.

I have the honour to forward a letter on this matter from Mr. Viktoras Pranckietis, Speaker of the Seimas (Parliament) of the Republic of Lithuania. The attached adopted resolution also appeals to national parliaments of EU and NATO member states to adopt Magnitsky legal acts, which will strengthen „the common area of justice, responsibility and transparency.“

Please accept the assurances of my highest consideration.

Yours sincerely,

Ambassador
