Election Day and Deployment

On Election Day, Members will generally work in teams of **two**. We kindly ask to mark your preferences for the deployment in the registration form. The International Secretariat will try to take your preference into consideration while setting up the regional team and preparing the deployment plan for the Mission. Please note that additional locations may be suggested depending upon developments in coming weeks. **Therefore**, we ask observers NOT to make specific travel arrangements (transportation/hotels) within Ukraine without first consulting with the International Secretariat. This will help to ensure balanced deployment coverage for the observation mission.

Interpreter / Driver on Election Day

Further information on arrangements for cars/drivers and interpreters for our teams for Election Day will be communicated in due time. Please let the Secretariat know if your Embassy in Ukraine will provide Members with a car or/and an interpreter during the Election Day.

Visa Information

We strongly advise observers to apply and obtain a visa well in advance of departing for Ukraine by contacting the relevant consulate. Attached is the invitation to the OSCE Parliamentary Assembly, welcoming an observation mission.

Debriefing and Departures

Please note while making your travel arrangements that de-briefing via phone or to regional coordinators on the ground may be possible for those observers deployed outside Kyiv area. We would like to remind you that national parliaments are responsible for their own Member's expenses, including any hotel cancellations. We also urge Members to have health and travel insurance that is valid in Ukraine.
