## GENERAL INFORMATION

### 1. CONTEXT AND PURPOSE OF THE MEETING

The city of Marrakech will host on December 10 and 11, 2018 the International Conference on Migration, in accordance with the resolution adopted by the General Assembly of the United Nations, at the end of its 72nd session.

This Conference, during which the Global Compact for Safe, Orderly and Regular Migration will be adopted, will complement the work of the Global Forum on Migration and Development, which the 11<sup>th</sup> Summit will be held in Marrakech on the eve of this Conference, from 5 to 7 December 2018.

Given the importance of this intergovernmental process, we have shown our willingness, as representatives of peoples, to contribute to its success by integrating the parliamentary dimension and accompanying its implementation and its outcome at the legislative level.

To this end, and under the auspices of the Inter-Parliamentary Union, the House of Representatives and the House of Councilors of the Kingdom of Morocco will organize an international parliamentary conference on 6 and 7 December 2018, at the Parliament venue in Rabat.

Through the conference and the axes which will be on the agenda of this event, the parliamentarians will have the opportunity to acquire not only the various aspects of the Global Compact for Safe, Orderly and Regular Migrations, but also concrete actions and tools for the implementation of the commitments resulting from this Compact, which will make a real contribution to the efforts of the international community for the implementation of the global Compact on migration.
