The Danish reporting on the practical implementation of OSH directives covering 2013 to 2017

August 2019

File No. 20185100899

Dear Antonio Camarota

With reference to the Commission's request of July 31 2018 for a reporting on the practical implementation of the OSH directives, the Danish Working Environment Authority hereby submits the reporting covering the years 2013 to 2017. The report reviews the first report delivered to the Commission covering the period 2007-2012.

The Danish social partners have been consulted in accordance with article 17a in directive 89/391/EEC. Their contributions are indicated separately in the reporting.

Please accept our apologies for the delay.

Yours sincerely

Gro Iversen,
Head of Unit
