

## **Donors Delivering for Sexual and Reproductive Health and Rights**

**Report Launch, Thursday 16 September 2021, 14:30 – 16:00 CEST**

Dear colleagues,

It is our pleasure to invite you to the launch of the second edition of the report “*Donors Delivering for sexual and reproductive health and rights (SRHR)*” that analyses SRHR disbursements of every OECD donor country, both in terms of total volume and as a percentage of a country’ total ODA, with a special focus on ‘rights’.

**The webinar event moderated by Lisa Goerlitz, Head of the Brussels office of Deutsche Stiftung Weltbevölkerung will take place on Thursday 16 September 2021, at 14:30-16:00 (CEST). Please find the programme attached.**

This latest edition presents data from 2019, setting up a pre-pandemic baseline for donors’ support to SRHR. Based on these findings, the launch event of the report will discuss why and how donors need to step up their game in the future.

**The webinar will bring several stakeholders together to discuss the report’s main findings and some unexpected rankings. It will also be an opportunity to exchange ideas on how it can shape renewed political and funding commitments, especially as we begin to emerge from COVID-19.**

Thank you for taking the time to consider this invitation. Kindly confirm your availability by filling in the [online form here](#) by **13 September 2020 COB**. We hope that you can join us and we remain at your disposal for any questions you may have.

Sincerely,

**Neil Datta**, EPF Secretary and **Lisa Goerlitz**, Head of EU office at DSW
