

**Resolution
of the Sejm of the Republic of Poland
dated 3 March 2022**

on the support of Ukraine's membership in the European Union

The Ukrainian military force and the Ukrainian citizens continue their heroic fight against the unprovoked and unjustified military aggression of the Russian Federation against Ukraine, which represents one of the most serious threats to the European and the global security. In their fight, the people of Ukraine can count on the full support of the Polish society. The Sejm of the Republic of Poland expresses its thanks to the government of the Republic of Poland, local governments, non-governmental organisations, and millions of people who are helping refugees and residents of the attacked areas.

The Sejm of the Republic of Poland:

- expresses its appreciation and admiration for the steadfast attitude of the Ukrainian people in their fight against Russia's bestial aggression,
- believes that the only possible and necessary response to this unprovoked and brutal Russian aggression is a strong and comprehensive reaction of the whole international community,
- responds clearly and specifically to Ukraine's request to join the European Union,
- calls on the Council of the European Union to begin the procedure for granting to Ukraine the status of candidate country as well as requests the European Commission to prepare a road map for the accession negotiations and for Ukraine's integration with the European Union,
- appeals to all EU institutions and Member States to enable Ukraine to join the European Community as soon as possible,
- asks the European Union to include Ukraine in the European Instrument for Recovery and Resilience Facility, and to create a separate fund to support the reconstruction of war damage.
