

Invitation to YOU ARE AMBITIOUS - A Networking Event for Ukrainian and Danish Professional Community

Since the beginning of the war, Denmark has welcomed tens of thousands of resourceful Ukrainian people with open arms. The determination and strength of Ukrainians is unmatched with admirable personal initiative and individual resilience. Iværksætterdanmark together with partners is launching 200 workshops between December 2022 and May 2023 and to officially kick off the program, we have the pleasure to invite you to the Copenhagen City Hall for an afternoon of networking, inspiring stage talks and connecting with the professional community from Ukraine, Denmark and beyond.

When: 9th of January 2023 16:00-19:00
Where: Rådhusalen, Copenhagen City Hall
Address: Rådhuspladsen 1, 1550 Copenhagen

**REGISTER
HERE**

The program is packed with inspirational speakers from Denmark and Ukraine to talk about their entrepreneurial journeys, failures and successes and giving tips on how to launch a successful business in Denmark. At the event, you will have the opportunity to hear inspiring speeches, network across borders and meet Ukrainian founders.

NETWORKING

The IVDK HUB for Ukrainians

The educational program will run for 6 months, during which we are offering 200 workshops to empower Ukrainians at a national scale. Program's key objective is to educate, reskill and empower Ukrainians to unleash their potential as entrepreneurs, build new businesses in Denmark and in Ukraine. The program will run all across Denmark, with 13 entrepreneurial programs with 10 modules, 70 workshops in various business skills and resulting with 1.100 trained Ukrainians until May 2023.
