Dear Minister,

I would like to thank you for your letter dated 12 April 2023 as a follow-up to your request of the Commission's view on the interpretation of Article 28 of the VAT Directive in the context of the planned legislative changes of the Danish VAT law with regard to services provided by artists.

I would be pleased to discuss the matter in more detail. My personal assistant, Ms Blanca Huergo Gonzalo, (E-mail: Blanca.HUERGO-GONZALO@ec.europa.eu, Tel: +32 229 59485) stands ready to help with setting up a videoconference.

Yours faithfully,
