

Bilag 1: Overordnede evalueringskriterier anvendt i evaluering af ”Danida Sustainable Infrastructure Financing Programme”

Evalueringsrapporten anvender 12 overordnede evalueringskriterier i vurderingen af DSIF projekterne (for hvert af de 12 evalueringskriterier er der en række underkriterier). De 12 overordnede evalueringskriterier betegnes ”Evaluation questions” i rapporten. De 12 overordnede evalueringskriterier er følgende:

- Evaluation question 1: **Relevance**
- Evaluation question 2: **Coherency**
- Evaluation question 3: **Portfolio**
- Evaluation question 4: **Efficiency and adaptability**
- Evaluation question 5: **Additionality**
- Evaluation question 6: **Impact**
- Evaluation question 7: **Balance**
- Evaluation question 8: **Sustainability**
- Evaluation question 9: **Mandate fulfilment and institutional learning**
- Evaluation question 10: **Risk management**
- Evaluation question 11: **Result Measurement System**
- Evaluation question 12: **Communication**
