

We **enable** and **inform** clients to understand & move through the Swiss Education System and to create a successful career in the labour market.

What we offer

- Help young people and adults to choose a profession or study option and to decide on a career path by providing:
 - Individual vocational counselling
 - Information centres
 - Online information
- Cooperation with schools
- Provide guidance and counselling across institutions (employment offices, disability insurance, social services etc.)
- Offer coaching to young people with multiple difficulties (case management)

What we offer for adolescents:

Vocational guidance

- Close cooperation with secondary schools
- Information for teachers, pupils and parents
- Individual vocational counselling
- Workshops for teenagers

Study guidance

- Close cooperation with upper secondary schools
- Information for upper secondary level students and parents
- Individual counselling for degree programmes
- Workshops & Events for upper secondary level students (ex. Study choice days)

CASE Management VET

- VET case management (individual support for teenagers with multiple challenges)
- Support+ (intensive coaching during search for an apprenticeship)
- Junior Coaching (Volunteers support pupils in choosing a career)

Our Major Fields of Activities
