Til udvalget for Digitalisering og IT

Invitation: NEC-Forum, 13.-14. november 2025

Sted: Nationalmuseet

Dataetisk Råd afholder sammen med Det Ethiske Råd dette efterår National Ethics Councils (NEC)-Forum nr. 35. Dataetisk Råd inviterer hermed medlemmerne af udvalget for Digitalisering og IT til at deltage.

NEC-Forum er en halvårlig samling af nationale etiske råd i EU. Traditionen foreskriver, at det land som har EU-formandskabet er vært for NEC-Forum.

NEC-Forum giver medlemslandenes råd en lejlighed til at præsentere udtalelser og igangværende arbejder, udveksle erfaringer og diskutere fremtiden for etik og rådgivning af folkevalgte. Til denne NEC-Forum er der et særligt fokus på tværeuropæiske og geopolitiske etiske problematikker. NEC-Forum er en helt særlig lejlighed til at sikre sig viden om, hvordan forholdet mellem etik og politik diskuteres i Europa netop nu.

Titlen for dette halvårs NEC-Forum lyder:

Ethics in Transition: Institutions, Technologies, and Public Trust

Et program er under udarbejdelse med bidrag fra alle medlemslande. Til jeres orientering inkluderes et foreløbigt program, som kan give et indtryk af NEC-Forum.

Tilmelding kan foregå ved at skrive en mail til Projektleder Francisca Nordfalk på frno@dketik.dk
