Til udvalget vedrørende Det Ethiske Råd

Invitation: NEC-Forum, 13.-14. november 2025
Sted: Nationalmuseet

Det Ethiske Råd afholder sammen med Dataetisk Råd dette efterår NEC-Forum nr. 35. Det Ethiske Råd inviter hermed medlemmerne af Udvalget vedrørende Det Ethiske Råd til at deltage.

NEC-Forum er en halvårlig samling af nationale bioetiske råd i EU. Traditionen foreskriver, at det land som har EU-formandskabet er vært for NEC-Forum.

NEC-Forum giver medlemslandenes råd en lejlighed til at præsentere udtalelser og igangværende arbejder, udveksle erfaringer og diskutere fremtiden for bioetik og rådgivning af folkevalgte. Til denne NEC-Forum er der et særligt fokus på tværeuropæiske og geopolitiske etiske problematikker. NEC-Forum er en helt særlig lejlighed til at sikre sig viden om hvordan forholdet mellem etik og politik diskuteres i Europa netop nu.

Titlen for dette halvårs NEC-Forum lyder:

Ethics in Transition: Institutions, Technologies, and Public Trust

Et program er under udarbejdelse med bidrag fra alle medlemslande. Til jeres orientering inkluderes et foreløbigt program, som kan give et indtryk af NEC-Forum.
